

Improving the Quality of Life in the Coastal Bend

FALL 2026

Karen W. Selim

A Message from Karen W. Selim, President & CEO

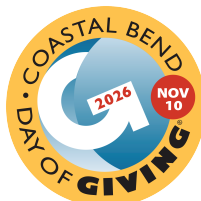

Friends,

Our Fall Newsletter always highlights *Coastal Bend Community Foundation's* annual scholarship program and the amazing Coastal Bend students selected to receive financial support as they pursue their educational goals. This year, over 260 students were awarded one or more scholarships totaling over \$725,000. These students represent the best and brightest in our communities, enrolled in a variety of academic programs at colleges and schools across the country.

None of this would be possible without donors who value education and believe that those who wish to better themselves should have that opportunity.

I am also pleased to share that the *Foundation* launched a second round of *Endowment Matching Grants* this spring. Following the success of the inaugural program, the *Foundation* awarded 12 matching grants of \$25,000 each, totaling \$300,000, to strengthen permanent charitable and scholarship funds serving the Coastal Bend. These funds help create lasting support for the causes and educational opportunities that matter most to our communities.

Currently, the *Foundation* offers 113 different scholarships, many of which have multiple awardees and varying eligibility criteria. If you know of a deserving individual, whether a graduating high school senior, a current college student, or someone who wishes to resume their studies, please let them know about the *Foundation's* scholarship program and encourage them to apply. If you are interested in supporting students or other causes that matter to you, please call **(361) 882-9745**. We are happy to talk with you about the ways the *Foundation* can help. As always, thank you for your support and for all you do for the Coastal Bend.

Coastal Bend Day of Giving Returns November 10, 2026

Our Coastal Bend community continues to demonstrate the power of collective giving. Last year, more than 8,400 donors helped raise over \$4.53 million for 63 participating nonprofits. Since 2009, *Coastal Bend Day of Giving* has generated more than \$41.1 million to support local organizations across our region.

The 18th annual *Coastal Bend Day of Giving* takes place on Tuesday, November 10, 2026. For 24 hours, donations to 65 participating nonprofits will be matched dollar for dollar, up to \$27,000 each. This year, \$1.7 million in matching funds, made possible by 22 generous donors and foundations, will help amplify every gift. Together, we can fight hunger, support children and families, improve health, reduce homelessness, and address other critical needs across the Coastal Bend.

Not able to give on November 10? Early Giving is available from November 2 – 9, and all gifts made during this period are also eligible for matching funds. Visit **CoastalBendDayofGiving.org** to learn more about participating nonprofits and explore the causes that matter most to you.

IRA Charitable Giving Update

Beginning January 1, 2026, individuals age 70½ and older can make Qualified Charitable Distributions (QCDs) of up to \$111,000 directly from their IRA to qualified charities, including *Coastal Bend Community Foundation*. A QCD can be a tax-efficient way to support the causes you care about while potentially reducing your taxable income.

As you consider your year-end charitable giving, a Qualified Charitable Distribution may help you achieve both your philanthropic and financial goals.

Contact the *Foundation* at (361) 882-9745 to learn more about charitable giving options through your IRA.
